## Prayer Guide

Identity in Christ

July 8 – 13

### OVERVIEW

*Christ Jesus Himself being the cornerstone, in whom the whole building, being fitted together, is growing into a holy temple in the Lord, in whom you also are being built together into a dwelling of God in the Spirit.*

*- Ephesians 2:21-22*

As we consider our identity in Christ, this week we explore our identity as a dwelling place for God. The temple as God's sacred space where heaven and earth meet and God's presence is manifest is a rich biblical theme from the first to the last pages. Jesus presented Himself as the true Temple in which God's space and our space intersect. He is God with Us and He is the sacrifice that makes access to God possible. Those in Christ are now being built up into a temple for God to dwell.
